Tournament News

Associate Club Championship Team

The team representing our club at the 1999 NCGA Associate Club Championship will consist of Joe Zukowski, Steve Jedynek, Lynn Moss and Carl Omstead. Joe and Steve qualified for the team by winning the 2-person net better ball competition at San Juan Oaks on April 3. Lynn and Carl qualified by accumulating the most Bayview Points through the San Juan tournament. Congratulations and good luck in the tournament.

Match Play

Due to the lack of response by interested players, there will be no match play competition this year.

Course Change

The tournament originally scheduled for September 11 on the Ranch Course at Diablo Grande has been switched to the Legends West Course. Green fee rates will reflect those in effect on that date for the Ranch Course. Therefore, the club will be getting a price

break on green fees and will not incur the premium rate that is charged for scheduling the Legends West Course.

Rules of Golf

Rule 22

Ball Interfering with or Assisting Play

Any player may:

- a. Lift his ball if he considers that the ball might assist any other player or
- b. Have any other ball lifted if he considers that the ball might interfere with his play or assist the play of any other player,

but this may not be done while another ball is in motion. In stroke play, a player required to lift his ball may play first rather than lift. A ball lifted under this rule shall be replaced.

PENALTY FOR BREACH OF RULE:
Match Play - Loss of Hole
Stroke play - Two Strokes

Note: Except on the putting green, the ball may not be cleaned when lifted under this Rule -- see Rule 21.

Rule 21

Cleaning Ball

A ball on the putting green may be cleaned when lifted under Rule 16-1b. Elsewhere, a ball may be cleaned when lifted except when it has been lifted:

- a. To determine if it is unfit for play (Rule 5-3);
- b. For identification (Rule 12-2), in which case it may be cleaned only to the extent necessary for identification; or
- c. Because it is interfering with or assisting play (Rule 22).

If a player cleans his ball during play of a hole except as provided in this Rule, he shall incur a penalty of one stroke and the ball, if lifted, shall be replaced.

If a player who is required to replace a ball fails to do so, he shall incur the penalty for breach of Rule 20-3a, but no additional penalty under Rule 21 shall be applied.

Exception: If a player incurs a penalty for failing to act in accordance with Rule 5-3, 12-2 or 22, no additional penalty under Rule 21 shall be applied.

Decisions on Rule 22

Mental Interference by Another Ball

Q. In order for A to be entitled to have B's ball lifted because of interference, does B's ball have to be on or near A's line of play and thus in a position to interfere physically with A's ball? Or may A also have B's ball

lifted if it is off his line of play but catches his eye and thus constitutes mental interference?

A. A player may, under Rule 22, have another ball lifted if the ball interferes either physically or mentally with his play.

Competitor Requests That Ball in Position to Assist Him Should Not Be Lifted

Q. In stroke play, B's ball lies just off the putting green. A's ball lies near the hole in a position to serve as a backstop for B's ball. B requests A not to lift his ball. Is such a request proper?

A. No. If a competitor and a fellow-competitor were to agree to exclude the operation of Rule 22, both should be disqualified under Rule 1-3.

Assisting Ball Lifted by Opponent Replaced on Request; Player's Ball Then Strikes Opponent's Ball and Opponent Lodges Claim

Q. In a match between A and B, A's ball is near the hole in a position to serve as a backstop for B's ball. A lifts his ball to clean it. B requests A to replace his ball before he (B) putts. A protests but B insists that, under the Rules, A must replace his ball immediately. A replaces his ball but disputes B's right to require him to do so and claims the hole. B putts and his ball strikes A's ball and stops very close to the hole. A replaces his ball and holes out for a 4. B then holes out for a 4. The match continues and the claim is later referred to the Committee. How should the Committee rule?

A. The hole stands as played. The Rules do not require A to replace his ball, but B was not in breach of the Rules by asking A to replace it.

Ball Assisting Fellow-Competitor on Putting Green; Procedure for Committee Member if Competitor Does Not Lift Ball

Q. In stroke play, a competitor's ball is in a position to assist the play of a fellow-competitor and the competitor is in a position to lift the ball under Rule 22 without delaying the fellow-competitor's play. However, the competitor does not take any action to invoke the Rule. Would a Committee member be justified in intervening and requesting the competitor to invoke the Rule to protect himself and the rest of the field?

A. Yes. If the competitor were to object, there would be strong evidence of an agreement to exclude the operation of Rule 22 in contravention of Rule 1-3. The Committee member would be justified in so advising the competitors involved and warning that any further such evidence might result in disqualification of both under Rule 1-3.

Request to Lift Ball That Might Assist Partner Not Honored

Q. A and B are playing C and D in a four-ball match. B's ball is near the hole in a position to serve as a backstop for A's ball. C requests B to lift his ball. B does not comply. A putts and his ball strikes B's ball. What is the ruling?

A. B is disqualified for the hole for failing to comply with Rule 22. Since the infringement assisted A, he is also disqualified for the hole. (Rule 30-3f)
