Tournament Chairman's Corner

I want to welcome the new members for 1992 as well as the old. We have an aggressive golfing schedule for 1992 and I hope to see the same degree of participation as we had in 1991. I booked courses for eleven months next year due to requests from numerous members for more tourneys.

You will note that we have limited space in some of the tournaments to 40 or 48 players. The reason for this is that more and more courses are requesting non-refundable deposits at the time of confirmation. With this in mind, I checked to see the number of players that we had at those courses in 1991, and made reservations accordingly.

President's Corner

We are ready to kick off a new golf season in January 1992. It should be just as good as 1991 or better. We have a good line up of golf courses to play.

I hope to see a good sign-up for match play this year. It is a lot of fun to match golfing skills against one another. Last year's sign up was great but we had a lot of players forfeit for one reason or another. If you do sign up, please try to play your matches. A lot of hard work goes into scheduling these events.

Our 1991 banquet turned out to be a lot of fun with dancing, prizes and good food. Many thanks to Rick Higgs for doing a great job putting the banquet together. You did a great job Rick!
